

The American Ophthalmological Society

Transactions of the American Ophthalmological Society Authorship Responsibility, Author Agreement, and Copyright Transfer

Title:

Each author of a Paper is asked to read and sign a statement of authorship responsibility, and copyright transfer. The corresponding author is also asked to sign the Authorship agreement. If necessary, please photocopy this document to distribute to co-authors for their signatures. Where there are multiple authors it is preferred that all signatures be on one form if possible. Please return all copies to AOS by **March 29**.

Authorship Responsibility: I certify that I have participated sufficiently in the conception and design of this work and the analysis of the data (where applicable and within my area of expertise), or the writing of the manuscript. I have reviewed the final version of the manuscript and approve it for publication. Neither this manuscript, nor one with substantially similar content under my authorship has been published or is being considered for publication elsewhere, except as described in an attachment.

Authorship Agreement:

I, as the corresponding author of the paper, certify that I have read and understood the instructions in the Guidelines for Authors of AOS Papers. I am willing to answer all queries from the Editor or publisher in a timely manner so as to permit publishing the yearly *Transactions* of the AOS.

| Corresponding Author Signature | Date |

Copyright: In consideration of the AOS taking action in reviewing and editing my submission, the author(s) undersigned hereby transfer(s), assign(s) all copyright ownership to the AOS when such work is published by the AOS. If the paper is accepted and the author also wishes to consider submission to another journal, the corresponding author must discuss this with the Editor of the Transactions immediately upon acceptance of the Paper.
